Lake Front Property

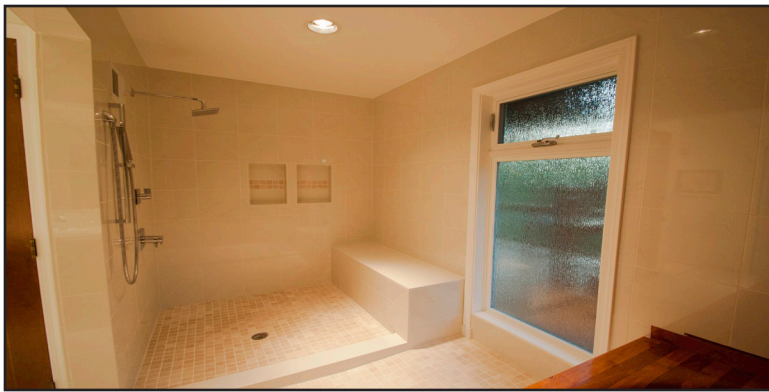

Sought after lake front property on a cul-de-sac and overlooking a quiet cove is the best Lakewood has to offer. With huge amounts of indoor and outdoor living spaces, this house is well maintained, immaculate, and ready to move in. The **top level** has a spacious living area with vaulted ceilings, skylights, built in bookshelves, library, sitting room, and a towering 2 story stone fireplace that walks out to an expansive three level deck. The large, eat-in kitchen has been updated with new flooring, counter tops, and backsplash.
